Report of Staff Orientation og introduction of Geo-fencing Attendance system for students on 13.11.2026

Introduction: Nikhil Banga Sikshan Mahavidyalaya organized a staff orientation programme regarding the introduction and implementation of a **Geo-Fencing Attendance System for students** with the objective of ensuring a more systematic, transparent and technology-driven attendance management process in the institution.

The Programme: During the programme, the Principal explained the purpose, importance and operational procedures of the geo-fencing attendance system. He demonstrated the step-by-step procedure for downloading and installing the designated mobile application on smartphones. The staff members were guided through the registration and login processes and were familiarised with the various features of the application. The Principal also provided a practical demonstration of how the system functions, particularly how students' attendance can be recorded through location-based verification within the designated geo-fenced area of the institution. Staff members were guided on how to operate the application and assist students in using the system effectively. The orientation programme was interactive in nature, allowing staff members to clarify their doubts and gain practical knowledge about the application. The Principal emphasised the importance of proper implementation of the system to ensure regularity, punctuality, accountability and effective monitoring of student attendance.

Conclusion: The programme concluded with a commitment from the staff members to extend necessary cooperation in the successful implementation of the geo-fencing attendance system at Nikhil Banga Sikshan Mahavidyalaya.
