## Report on Skill development programme for B.Ed students of session 2022-24 through MICRO TEACHING (01.08.2023 & .29.08.23)

Microteaching is a great method to gain experience, boost confidence, sample a variety of lecturing/tutoring approaches, and learn and practise providing constructive criticism. Through the use of microteaching, teachers can safely perform in front of a small group of students while also observing and evaluating the work of others. Microteaching is a method used to educate teaching behaviours and abilities in small groups with the help of video recordings. Teachers can test out a small portion of what they typically do with children in a safe setting with friends and coworkers and receive constructive feedback from the group.

Base on the facts, Nikhil Banga Sikshan Mahavidyalaya has organized micro teaching session for B.Ed students of session 2022-24 on and from **01.08.2023** to **29.08.2023** as per following Time Table:
