Report on Pre-Internship programme with Head Master/Mistress

Date – 24.08.2023

A Teaching Internship is a chance for aspiring teacher to take part in educational activities. They can obtain experience on working with elementary or secondary children in a class room in various aspect of teaching. It is a fantastic way for aspiring teachers to learn how to teach and develop essential knowledge , abilities, zttitudes, and appreciation in a genuine school setting. As per curriculum of the BSAEU , the affiliating university Internship programme for B.Ed to be conducted in two phases, viz in SEM II and SEM III. In SEM II , the teacher trainee provide the school environment so that they have to familiar with the school system. This induction programme meant for the student-teachers of B.Ed. Dept. along with the Head Master/Head mistress of the internship school surrounding Bishnupur, Bankura. **Dr. Kalpataru Mondal** described the activities in detail to be observed during internship of SEM II. It is also decided this process will continue on and from **13.9.2023 to 16.10.2023** i.e for one month. The head Master/Head Mistress also shared their on different activities of the school and different committees with proper their functions.

Interaction with HM of the Intern Schools

After the discussions made by college authority and Head of the Institution of the Internship schools, the students started different questions regarding the Internship for better understanding. At the end again **Dr. Kalpataru Mondal**, Assistant Professor, highlighted the key points and summarised with programme activities mentioning different proforma to be supplied before going to school for Internship. Allotment of 50 Student Teachers were divided into 9 Internship schools through randomized technique in front of the student teacher. Vote of thanks was given by Dr. Santanu Golui and session has been concluded.
