## Report on School Internship (B.Ed SEM II) for B.Ed students of session 2022- 24

### **Introduction:**

The B.Ed. programme has undergone a significant transformation in recent years across all of India. A fascinating and difficult task is switching from a one-year study to a two-year B.Ed. programme. Any programme in teacher education aims to prepare teachers with the necessary pedagogical abilities. The Teacher's Training Programme includes a significant amount of school internship. The entire B.Ed. course includes it in its entirety. A short-term work experience programme is known as an internship programme. The goal of the internship programme is to give our students the chance to solidify their learning through real-world experience. It gave student instructors first-hand experience in a variety of teaching responsibilities, including actually instructing students in the topic. The goal of a school internship is to foster the growth of a diverse range of viewpoints, professional abilities, and teacher dispositions, sensibilities, and skills.

### **Organization:**

In the curriculum of B.Ed conducted by BABA SAHEB AMBEDKAR EDUCATION UNIVERSITY, Internship programme has been divided into section, one to be conducted in Semester II programme and other in semester III. In SEM II the students has to familiar about school system by observing day to day school functioning. In this report, the activities of semester II will be considered.
