## Report on School Internship (B.P.Ed SEM III) for B.P.Ed students of session 2022- 24

**Introduction:** Fieldwork and internships for B.P.Ed. candidates are essential milestones in the career path of a physical education teacher. They offer practical experiences that mold future educators and get them ready for the dynamic and varied field of physical education. The internship program's primary objective is to provide our students with the opportunity to reinforce their learning through practical experience. It provided student instructors with practical teaching experience in a range of roles, including actually educating students in the subject matter.

**Distribution students :** The B.P.Ed students of academic session 2022-24 has been distributed into various internship schools as shown in the following Table on and from 13.09.2023 to 18.10.2023.

Different activities in the Internship school

**Conclusions:** The students gain satisfaction from the experience. They have the chance to give the school a small contribution from their own resources through this internship phase. The internship programme was successful. They watched all of the school's operations as well as the standards of professionalism in terms of ethics, morals, and competence.
