## Report on Pre-Internship programme with Head Master/Mistress

Date – 18.09.2024

An opportunity for aspiring teachers to engage in educational activities is a teaching internship. They can gain expertise in a variety of teaching facets by working in a classroom with elementary or secondary students. It is an excellent method for preparing future educators to impart and foster fundamental skills, information, attitudes, and appreciation in a real classroom environment. B.Ed. internship program will run in two stages, SEM II and SEM III, in accordance with the BSAEU curriculum. The teacher candidate provides the classroom setting in SEM II so they can become acquainted with the educational system. This induction program was designed for the head mistress and head master of the internship school at Bishnupur, Bankura, as well as the student teachers in the B.Ed. department. **Dr. Bhim Chandra Mondal**, Principal outline the necessity of the programme. **Dr. Kalpataru Mondal** gave a detailed description of the activities that SEM II interns were expected to watch. Additionally, it is agreed that this procedure will extend for one month, from **September 24, 2024, to October 31, 2024**. Additionally, the head mistress and head master discussed the many committees and school activities along with their respective roles. Following the talks between the college administration and the head of the internship school, the students began asking various questions in order to gain a better understanding of the internship. The assistant professor, **Dr. Kalpataru Mondal**, reiterated the main topics in the conclusion and summarized the program's activities, mentioning many proforma that needed to be filled out prior to enrolling in an internship. In front of the student teachers, a randomized technique was used to divide the allocation of **50 student-teachers** among **9 internship schools**. The session has come to an end after **Dr. Santanu Golui** cast the vote of gratitude.
