Report on Teachers' Day Celebration on 05.09.2022

Teachers' Day is a special day to show respect for them. It may also involve celebrations to recognise their outstanding achievements in a specific field of study or for changing the educational climate in a community. In 1962, when **Dr. Radhakrishnan** became India's second president, his students came to him to ask for permission to observe September 5 as a special day. Instead, Dr. Radhakrishnan asked them to commemorate September 5 as Teachers' Day in order to recognise the value of teachers to society. Since that time, all academic institutions—including schools, colleges, and universities—celebrate September 5 as **Teacher's Day**. For their favourite professors, students put on performances, dance, and stage extravagant presentations.

The students of Nikhil Banga Sikshan Mahavidyalaya have celebrated **Teachers Day** on **05.09.2022** to felicitate their Teachers and non-teaching staff. The programme schedule is as follows:

Sl No	Activity	Person involved

The significance of the day has nicely been explained by Sayak Karmakar followed by Group dance by B.P.Ed students. The students gifted a beautiful cultural programme to their friend, Philosopher and guide.

At the end of the day a friendly volleyball match Student vs Teachers has been organized where teacher has won the match.

Both Teacher and Students spent the whole day together that make their bonding much stronger.
