Report on Celebration of MATRIBHASA DIBAS (Mother Language Day) on 22.02.2023

Mother tongue and mother's milk are synonymous. The recognition of that mother tongue on the international stage is not so old. On the historic 21st February, International Mother Language Day is being celebrated all over the world. Interwoven with the history of this day is the dream of our neighboring country Bangladesh, its birth and of course its heritage. But that history is full of sacrifice, relentless struggle and an attitude of not giving up. On this day in **1952**, many young people including **Rafiq, Salam, Abdul Jabbar, Shafiul, Salam, Barkat** were martyred when the barbaric police fired on the protesting students and social workers. This day is also known as **Language Martyr Day**.

The International Mother Language Day (Matribhasa Dibas) has been celebrated at our Institute in the Seminar hall with great joy and enthusiasm on **21.02.2023**. **Dr. Nityananda Karmakar, HOD (Physical Education)** presided over the programme. The programme schedule is as follow:
