Report on NBSM Football Academy

(12.05.2023 to 31.5 2024)

Introduction: Future players are introduced to the finer points and workings of the game at the football academy level. This is more than just picking up the fundamentals of passing and dribbling the ball. The lads receive this instruction in order to mentally get ready for their future as professional football players.

Inauguration of NBSM Football Academy at our campus: NBS Mahavidyalaya in Bishnupur, Bankura, started a thrilling new chapter in its history on May 6, 2023, when it opened a football academy on its grounds. The objective of this program is to foster young trainees' football talents in a healthy setting that supports their complete development.

Mission and Objectives: The primary mission of the academy is to identify and nurture young talent, fostering a passion for football and promoting physical education in the region. The objectives of the academy are:

- To develop the skills of football among trainees
- To provide a healthy environment for training and overall development
- To produce well-rounded individuals who can contribute positively to society
- To make relationship with the community members with the Institution

Leadership and Coaching Staff: The academy is spearheaded by a dedicated football committee headed by Principal Prof. (Dr.) Bhim Chandra Mondal. The committee comprises Dr. Nityananda Karmakar, HOD, Department of Physical Education, and Assistant Professors from the Mahavidyalaya. The coaching staff includes:

1. Dr. Sumanta Sarkar, Assistant Professor, Department of Physical Education - Head Coach
2. Sanjay Bhunia – Assistant Professor, Department of Physical Education - Assistant Coach
3. Dr. Susanta Jana – Assistant Professor, Department of Physical Education - Assistant Coach
4. Sayan Roy – Alumni – Assistant Coach
5. Sanjay Majhi - Alumni – Assistant Coach

Trainees and Training: The academy has enrolled **40 trainees**, including **15 tribal students**, aged between **6 to 10 years**, all from the local area. The trainees practice **four days in a week**, with a focus on developing their football skills in a healthy and disciplined environment. The training sessions are designed to be engaging, challenging, and fun, ensuring the trainees enjoy the learning process.

Participation in Competitions and Events: The academy has an age-wise participated league tournament in collaboration with the Bishnupur Sub-Divisional Sports Association, providing the trainees with valuable competitive experience. Additionally, the trainees observed Yoga Day on **21st June 2023**, highlighting the academy's emphasis on holistic development and well-being.

Celebration of Yoga Day by NBSM Football Academy

Infrastructure and Facilities: The academy utilizes the Mahavidyalaya ground, providing a safe and conducive environment for training. The facilities include:

- Well-maintained football ground
- Equipment and gear for training
- Access to medical facilities and first aid

Future Plan : The academy plans to expand its reach and impact by:

- Increasing enrollment and diversity among trainees
- Collaborating with local schools and clubs to promote football
- Organizing tournaments and events to showcase talent
- Providing opportunities for trainees to participate in regional and national competitions

Conclusion: The football academy at NBS Mahavidyalaya is a promising initiative, providing young children with a platform to develop their football skills and promoting physical education in the region. With a dedicated leadership, coaching staff, and commitment to holistic development, the academy is poised to make a positive impact on the lives of its trainees and the community.
