Report on “Van Mohotsav – 22” celebrated on 20.7.22 at NBSM campus

"Trees exhale for us so that we can inhale them to stay alive". One of the most celebrated of them all is **Van Mahotsav**, a week-long celebration that is dedicated to Mother Earth in order to protect our life support system on the planet. With the onset of the monsoon, tens and thousands of saplings are planted all across India and the festival literally is the celebration and creation of new life.

In an endeavour towards maintaining the green cover of the campus and spreading the message of conserving nature **Nikhil Banga Sikshan Mahavidyalaya**, P.O - Bishnupur, Dist - Bankura celebrated **Van Mahotsav – 2022** the annual tree plantation drive on **July 20, 2022** on its campus. About 100 saplings were planted by NBSM faculty, staff, students, and alumni of college campus. The plantation of trees is well planned and generally, native saplings are planted as they readily adapt to the local conditions and have a higher rate of growing into a full-grown tree.
