A Report on the Annual Excursion for B.P.Ed 2023

(Duration of Excursion:- 7th March to 12th March)

Place – Sikkim and Darjeeling

Learning is a vast concept, and holistic learning is impossible without studying people, places and cultures. The more a person travels, the more he learns. Such excursion to historical places, museums, landscapes, research institutions, theatres, Mountain areas offer students a great opportunity to feel, observe and learn by interacting with the things of interests. "Adventures are the best way of learning", and "nature" is the excellent master, it teaches us more than we can ever learn from books. Educational Tour can also be a way to fun and recreation. To reinforce experimental and contextual learning, explore, enrich critical thinking skills, make memories and to develop a healthy bond between teachers and students it is essential to take learning beyond the four walls of the classroom. Keeping these importance of Excursion in mind, Department of Physical Education, Nikhil Banga Sikshan Mahavidyalaya, like each and every academic session, conducted an Educational Excursion (**five night six days**) to Gangtok & Darjeeling for their teacher's trainee. The students were escorted by the three faculty members of B.P.Ed department and the tour was conducted under the guidance of **Dr. Susanta Jana**. The tour was conducted as per following schedule:-

Returning Team NBSM at home

Conclusion:

It was a great memorable experience for all students forever. They also prepared their field reports with their robust feelings and emotions. The marvelous views of the Himalayan ranges, the lifestyle of the local inhabitants, their livelihood and coexistence of nature and man overwhelmed all fabulously.
