Report on survey on “Activities taken by school for maintaining mental health of the children”

Date – 5.3.24 to 6.3.24

Introduction: Survey help the students to gather knowledge and it also provide hand on experience how to interact with the unknown persons. As a part of practicum, students of B.Ed SEM I assigned to collect information from the internship schools regarding different activities taken by the school to maintain the mental health of the students.

Organization of work: All 50 students has been divided into four groups and assigned them to one internship school as follows:

Sl No	Roll No range	Assigned school
1	Roll 1 -12	KJK High School
2	Roll 13-24	KM High School
3	Roll 25-38	Mahakuma Madhymik Vidyalay
4	Roll 39-50	Mission High School

The students interact with 10 teachers of the concerned schools along with printed interview schedule (approved by the college authority) and record their opinion. After analyzing the recorded they individually prepared their report and subsequently submitted to the college.

Visit of School by the B.Ed SEM I students of session 2023-25

Principal
10/3/24

Conclusion: At the end of the day of survey, students gathered knowledge about how to maintain mental health in school and also know how to interact with the participants in real life.
