Report on Thalassaemia Detection Camp organized on 15.07.24

In 15.07.24, at 11:15 AM the team of Bankura Medical College and Hospital arrived in NBSM and set up their instruments to collect blood samples from the volunteers. They were distributed a form related to Thalassaemia detection which includes personal details and a declaration. After completing those formalities blood sample collection was started and a total of **72 blood sample out of which 20 girls** collected for Thalassaemia detection. It was great success by NSS Unit of NBS Mahavidyalaya. The students are greatly inspired by this special day observation.
