Report on 78th Independence Day Celebration on 15..8.24

The Independence Day of India, which is celebrated religiously throughout the country on August 15th of each year, holds a special place in the list of national holidays because it reminds every Indian of the dawn of a new beginning, the beginning of an era of deliverance from the clutches of British colonialism after more than 200 years. On August 15, 1947, India declared independence from British colonialism and turned over sovereignty to the country's authorities. India's independence was a brush with fate, as the war for freedom was lengthy and exhausting, requiring the sacrifices of many freedom fighters who laid down their lives on the line. The Institution marked the 78th Independence Day with great pride and excitement. The program began at 8:30 a.m. **Dr. Susanta Jana**, Nikhil Banga Sikshan Mahavidyalaya, hoisted the national flag at 8:30 a.m., followed by the National Anthem. Our students and faculty members delivered their speech regarding the importance of the day.
