Report on Visit to Special School on 17.07 and 18.07.2025

Introduction: Gaining a better knowledge of the teaching strategies, support networks, and particular requirements of kids with disabilities is the major goal of visiting a special school. This entails knowing about specialised therapies, seeing how individualised education programs (IEPs) are carried out, and seeing the commitment of teachers to creating a positive learning environment. Visits can also foster inclusivity, empathy, and a heightened understanding of the struggles and successes faced by people with special needs. In view of the above, students of Nikhil Banga Sikshan Mahavidyalaya visited to Desired School , a special school in Bishnupur, Bankura on 17.7. and 18.7.25 to get deeper understanding about the problems of special children. The objectives are:

Objectives:

- To meet with special child.
- To participate actively for making true sense of inclusiveness.
- To observe classroom interaction with TLM for special learners in class.
- To take interview of the administrator and guardians.

Outcomes:

- Students were involved and divided into groups to interact with special learners.
- Students were involved to exchange activities with the special children.
- Engaged to know special learners in inclusive way.
- Well connected to aware about healthy environment in class for special child.

No of Student Participant: 45
