West Bengal

## **Message from the Desk of the Principal**

What a fantastic group of students committed to achieving the highest standards. With world-class facilities and resources, a dedicated and highly skilled faculty, the most amazing students to work with, and a lively and supportive alumni community, we genuinely have an amazing institute. With great pleasure, we announce that on August 1st, 2025, Nikhil Banga

Sikshan Mahavidyalaya will open Volume 4 of its newsletter, SPOTLIGHT. Every academic field and extracurricular activity, including staff development, athletics, and culture, has seen notable advancements at the college. I have no doubt that this approach will convey a positive message to both educators and students.

A news letter serves as a mirror for the Institute, providing readers with a clear view of the wide range of activities that the organisation engages in. I want to thank the Editorial Board of our News Letter for their excellent work in completing the assignment on time. They also performed an excellent job creating the newsletter. I would like to express my sincere gratitude to the IQAC Coordinator, for helping me finish my assignment on time. I also want to express my sincere gratitude to the students and staff for their diligent efforts. The team that tackled the difficult challenge with the highest level of achievement deserves my congratulations. With this little gem of a book, I hope to help student to cultivate a love of reading and a sense of community inside the school.

**PRINCIPAL**

### **Field Survey on Special Education on 05.07.2024**

In order to interact with the society and to aware about social problems, B. Ed students of session 2022-24 had been visited to a special school at Bikash Pratombik Protibondhi Vidyalaya, Bikash Society located at Katjuridanga, Bankura on 05.07.2024 under the guidance of Dr. Diptiman Ghosh and Dr.Kalpataru Mondal. The student interacted with the management, Head Teacher and other Teachers and the students of the school

### **Add on Course on Physiotherapy on and from 05.07.24 to 10.07.24**

Students' motor skills, comprehension of physical activities and physical fitness are all improved by physical education (PE). It is also essential in helping pupils learn self-control, accountability, and the

value of respecting their bodies, peers, and teammates. Therefore, teaching physiotherapy to our B.P.Ed. students is crucial. In view of the above, Department of Physical Education

organized Add on Course on Physiotherapy on and from 05.07.24 to 10.07.24.

### **Cleanliness programme by NSS on 13.7.24**

Cleanliness is important, for it builds up a healthy environment that facilitates physical and mental

well-being and growth. NSS volunteers take part in cleaning program of college premises as well as the in front of college road and college gate under

the guidance of Dr. Sanjay Bhunia, NSS, Program Officer.

### **Workshop on Puppetry in Education on 13.7.24**

Puppetry is a sort of performance that incorporates the use of puppets, which are inanimate objects that commonly resemble human or animal figures and are controlled or manipulated by a human known as a puppeteer. In view of the above, B.Ed department and IQAC, Nikhil

Nikhil Banga Sikshan Mahavidyalaya organized Workshop on **Puppetry in Education** on 13.07.2024. In the workshop students had prepared the puppet and demonstrate their creation.

### **Thalassemia Awareness and Detection Programme on and from 12.7&15.7.24**

NSS Unit of Nikhil Banga Sikshan Mahavidyalaya in association with the Thalassemic Guardian Society organized an awareness programme on 12.07.2024 at Seminar Hall to aware the students of both B.Ed&B.P.Ed department. Mr.PrabirSen, Head Master of Gosainbari High School & President, Thalassemic Guardian Society presented his deliberation with documents and nicely explained the feature of the Thalassemia patients. For detection of Thalassemia blood sample collection

was started and a total of 72 blood sample out of which 20 girls collected for Thalassemia detection. It is observed after detection that 8 students are the carrier of Thalassemia.

### **Vanmohotsav– 20.07.24& 25.07.24**

Van Mahotsav 2024 tackles problems such as environmental degradation and deforestation. An important occasion in India, Van Mahotsav 2024, attempts to support environmental preservation and afforestation for the earth's ecological balance. With the goal of preserving the campus's greenery and promoting environmental conservation, Nikhil Banga Sikshan Mahavidyalaya (Bishnupur, Bankura) observed Van Mahotsav on 20.07.24 & 25.07.24 by planting at the campus and playground of Nikhil Banga Aikat Kriyangan.

### Green Audit on 27.07.2024

An environmental audit, sometimes referred to as a "green audit," is a methodical evaluation of an organization's environmental impact. It entails determining, measuring, documenting, reporting, and evaluating an organization's operations, resource usage, and waste production, among other environmental factors. The objective is to assess environmental practices and make recommendations for enhancements to increase sustainability and safeguard the environment. Nikhil BangaSikshan Mahavidyalay conducted Environmental audit for the year 2022-23 on 27.07.2024 by the external experts. They have given their suggestions and requested the authority of the Institution to take necessary action.

### Intramural competition – 2024

Recreational sports arranged for enjoyment and fitness within a specific institution, typically a physical education facility, are known as intramural sports. It is described as games or physical activities that take place outside of the classroom and do not include rivalry with other teams or

groups. Based on this ,B.P.Ed Department organized Intramural competition on and from 25.6.24 to 31.7.24 including Football, Volleyball, Cricket and Badminton.
