Report on 79th Independence Day Celebration on 15.8.2025

In the list of national holidays, India's Independence Day, which is observed religiously across the nation on August 15th each year, is extremely significant because it serves as a reminder to all Indians of the start of a new era, one that will see them freed from the more than 200-year grip of British colonialism. India's independence from British colonial rule was proclaimed on August 15, 1947, and political power was transferred to the nation's leaders. India's journey to independence was a battle with fate since the war for independence was a protracted and exhausting one, including the sacrifice of several freedom fighters who risked their lives. The Institution marked the 79th Independence Day with great pride and excitement. **Dr. Bhim Chandra Mondal, Princial**, Nikhil Banga Sikshan Mahavidyalaya, hoisted the national flag at 8:00 a.m., followed by the National Anthem. Our students and faculty members delivered their speech regarding the importance of the day. Patriotic song was sung by Bristi Ruidas, Swagata Banerjee followed by patriotic poem by Pallabi Chakraborty.
