Introduction: Nikhil Banga Sikshan Mahavidyalaya proudly hosted a memorable farewell ceremony on 30.08.2025 to bid a heartfelt goodbye to the batch of 2023-25. The event was a beautiful confluence of emotions, marked by both the joy of new beginnings and the bittersweet feeling of parting ways. This report aims to document the key highlights of the ceremony, celebrating the students' successful completion of their rigorous training and acknowledging the contributions of the faculty and staff who have guided them on their journey to becoming compassionate and competent educators.

The farewell was more than just a formal event; it was a testament to the bonds forged over the course of the teacher training program. It provided a platform for the students to express their gratitude, for the faculty to offer their final words of wisdom, and for everyone to share their cherished memories. The ceremony commenced at 11.00 AM with the traditional lighting of the lamp, symbolizing the dispelling of ignorance and the spread of knowledge, a core principle of the teaching profession. The program was meticulously planned, with each segment flowing seamlessly into the next, ensuring a cohesive and engaging experience for all attendees. The event was inaugurated with a warm and heartfelt welcome address by the Principal, Dr. Bhim Chandra Mondal. In his speech, he extended a special greeting to the students, whom he referred to as the future architects of the nation. Following the Principal's address, several esteemed faculty members took to the podium to share their insights and best wishes. The formal addresses were followed by a vibrant cultural program organized by the junior batch of students. The performances were a magnificent showcase of talent, creativity, and teamwork.

It was not just a goodbye, but a celebration of new beginnings and a beautiful reminder of the profound impact of teaching. The graduating students are now poised to embark on their professional journeys, carrying with them the values, knowledge, and passion they gained at the Nikhil Banga Sikshan Mahavidyalaya.
