Report on Freshers Welcome of Gostha Pal Hostel on 02.12.2025

Introduction: On **December 02, 2025**, the annual Hostel Freshers' Welcome of Gostha Pal Hostel, which was organized by the Hostel Administration's senior residents, was successfully held. The purpose of the event was to create a sense of community, extend a warm welcome to the new class of students, and facilitate their smooth transition into the hostel setting. A ceremonial speech, cultural performances, and a group dinner comprised the two main parts of the welcoming ceremony. The second-year students sang the opening song at 6:30 PM, and then the new students were congratulated. A musical performance and a collective dance performance were among the abilities displayed by a number of senior citizens. These performances created a light-hearted, joyous atmosphere and were enthusiastically received. A Gala Dinner (8:30 PM to 9:30 PM) including a range of cuisines was particularly prepared by the mess crew to cap off the event. The friendly environment allowed seniors and freshmen to mingle and overcome any initial obstacles. Both the organizing committee and the freshmen provided extremely excellent feedback. The effort made to make them feel at ease and the friendly welcome was appreciated by the newcomers. The event's main objective of fostering a welcoming, inclusive environment was well accomplished.
