Report on REUNION on 07.12.2025

Introduction: Held at Nikhil Banga Sikshan Mahavidyalaya in Seminar Hall on December 7, 2025, REUNION 2025 was a historic occasion honouring the long-lasting relationship between the school and its past pupils. Nostalgic tours, networking, and a gala lunch that effectively upheld the college's tradition and bolstered the alumni-student mentorship network characterized the day. The reunion's main goals are to unite alumni from various batches and geographical areas and to highlight the institution's most recent infrastructure improvements and future plans. A customary welcome ceremony kicked off the day at 9:00 AM. Personalised "Memory Kits" with digital yearbooks and pen were given to alumni. The principal emphasized the institution's expansion and the critical role alumni play in accomplishing institutional goals during the first session. The Alumni Association's President and Secretary shared their thoughts on the institution's growth. Alumni and their children demonstrated their excellence in various cultural views, such as singing, dancing, reciting, and the like, during the cultural event.

Conclusion: More than merely a social event, **REUNION 2025** served as a reminder of the institution's principles and its influence on students' lives. The alumni's enthusiasm points to a promising future for the Alumni Association's programs. The Class of 2026 and future generations will profit from the more organized mentorship ecosystem that we have successfully established.
