Report on National Youth Day

Organized by NSS Unit, Nikhil Banga Sikshan Mahavidyalaya

Introduction: Every year on **January 12**, India observes National Youth Day to commemorate the birthday of **Swami Vivekananda**, one of the nation's most well-known spiritual leaders and intellectuals. In 1984, the Indian government formally designated this day as **National Youth Day**, and the inaugural commemoration took place in 1985. The main goal is to encourage the next generation to embrace Vivekananda's principles of self-belief, character development, and national service.

NSS Unit of Nikhil Banga Sikshan Mahavidyalaya celebrated 163th Anniversary of Swami Vivekananda under the supervision of **Sri Tarun Biswas**. The programme started at 11.00 sharp with the President ship of **Dr. Nityananda Karmakar**. Faculty members and the representative of students tribute to Swamiji. In this special day, members delivered their valuable speech about Swamiji's contribution and the importance of this day. **Sri Tarun Biswas** gave his speech upon the complete life history of Swami Vivekananda. **Dr. Diptiman Ghosh** in his speech told us about some of the incidents of Swamiji's life and his teacher, Sri Ramakrishna Paramahansa. Students also gave their tribute to Swamiji song, recitation, dance etc.

Conclusion : India's "demographic dividend" is its greatest asset, as National Youth Day 2026 powerfully reminded us. The day effectively revitalised the youth's dedication to nation-building by fusing Swami Vivekananda's 19th-century wisdom with 21st-century creativity. The principles of self-control, compassion, and fortitude honoured on this day continue to serve as the foundation for India's future development as it approaches its centenary of independence.
