**Report on School Internship (B.P.Ed SEM III) for B.P.Ed
students of session 2024-26**

Introduction: Fieldwork and internships for B.P.Ed. candidates are significant milestones in the career of a physical education teacher. These practical experiences mould future educators and equip them for the dynamic and varied field of physical education. The primary objective of the internship program is to provide our students with the opportunity to reinforce their learning via practical experience. It provided student instructors with practical experience in a range of instructional roles in addition to imparting knowledge to students.
