Report of Workshop on “Research Article Writing” on 11.02.26

The ‘Mastering the Art of “Research Article Writing” workshop was designed to bridge the gap between conducting high-quality research and successfully publishing it in peer-reviewed journals/Book Chapter. This workshop focused on structural integrity, academic clarity, and navigating the complex landscape of journal submissions. Research & Development committee in collaboration with IQAC, Nikhil Banga Sikshan Mahavidyalaya organized the workshop on 11.02.2026.

The Programme was started with National anthem followed by Lightening of lamp by the Resource Person **Dr. Uday Chatterjee**, Assistant Professor, Bhattar College, Dantan and Guest of Honour **Dr, Chandra Shankar Hazari**, Assistant Professor, Bhattar College, Dantan, Principal and other faculty members of the Institute. In the beginning of the programme Two Books entitled “Integrating ICT and NEP 2020 in Teacher Education” and “A Glimpse of Trends and Practice in Digital Learning” from NBSM Publication were launched and distributed to the respective authors.

In the second phase of the programme, **Dr. Uday Chatterjee**, discussed in details what skills need to develop among the research scholar or academic writer by citing various examples. Being series editor of book published of international publishing house, he explained how to submit the article in the journal or book chapter. After his lecture, he has given task to the audience related to academic writing. After lunch break, task has been collected and **Dr. Chatterjee** began to modify the task along with suitable explanation. In the interactive session, research scholars, faculty members and students threw different questions related to research methodology. **Dr. Chatterjee** and **Dr. B.C. Mondal**, Principal given explanation of the query raised by the audience. In the valedictory session certificate has been distributed among the participants.

Conclusion : The workshop concluded with a peer-review exercise where participants exchanged drafts and provided constructive criticism. Feedback indicated a significant increase in participant confidence regarding their ability to draft manuscripts that meet international standards
