Report on 2nd B.P.Ed Hostel Reunion

21.02.2026 – 22.2.26

Introduction: Alumni from five decades came together for the 2nd Hostel Reunion, which took place over the weekend of February 21st –22nd, 2026.. The celebration of the distinct "hostel culture" that fosters resilience, independence, and enduring friendships acted as a link between the past and the present. The preparation, execution, and emotional impact of the event are described in this report, emphasizing the lasting connection between the people who formerly lived in these hallways. For many, a hostel is more than simply a structure; it's the furnace where their adult identities were shaped. Rebuilding that sense of community was the aim of this reunion. In contrast to a typical "Alumni Meet" that takes place in the seminar hall, this reunion focused on the hostel's physical location, enabling former residents to stroll through the same halls and take seats in the same common areas where they once imagined their future.

First Phase (cultural evening): The programme was inaugurated on 21.02.2026 at 6.00 PM by lightening of lamp by the Principal in the presence of Chief Guest, Alumni and the existing boarders of the Hostel. **Dr. B C Mondal**, Principal in his speech discussed the development of the college after his joining to the college on 01.07.2025 as well as present situation of the B.P.Ed course. **Dr. Hiralal Adhikary**, Ex-HOD of this Institution remembered the old day memories and shared his experience with the alumni. A gorgeous cultural programme which includes dance, song, and recitation was performed by the existing students as well as alumni.

Second Phase (Sports) : Second phase of the programme started on 22.02.26 at 7.30 am at the playground to play football, Volleyball and cricket by the Alumni of all ages.

Final Phase (Down memory Lane) : Down memory lane was started on 22.02.26 at 12.00 noon by all the Alumni presented in the programme. They have been felicitated by Rose and memento. They shared their experience of staying hostel at their time. They have also discussed about the present status pf B.P.Ed and how to overcome it. After the a delicious lunch had been served to all the participants, staff members and existing students.

The 2026 Hostel Reunion was more than a party; it was a powerful reminder of the social capital built within residential education. It reinforced the idea that the "Hostel Family" is a permanent support system. The event successfully raised funds for infrastructure and, more importantly, rekindled spirits that had been worn down by the grind of professional life.
