## Report on Field Survey to Mahakuma Madhymik Vidyalay on 27.02.2026

**Introduction:** A crucial component of the B.Ed. Semester I Practicum, the Field Survey aims to close the gap between theoretical pedagogical ideas and the real-world application of the classroom. Understanding students' socioeconomic and cultural backgrounds, the school's facilities, and the general teaching-learning environment are the main objectives of this survey.

**Objectives:** The main objective of the survey is to observe how school authority maintain congenial environment to protect the mental health of the students.

**Execution :** All the B.Ed trainee interacted with the Headmaster, School Teachers and student and collect the data through the standardized questionnaire constructed by the college authority. They also observed the infrastructure facility like wel-ventilated classrooms, toilet, drinking water facility etc. After collecting necessary information each student made their report and submitted to the college authority.
