Report of Teaching Learning Materials (TLM) Exhibition-2026

Introduction: Teacher Education Institute generally organized the Teaching-Learning Material (TLM) Exhibition to encourage pre-service teachers to be creative, innovative, and use excellent classroom teaching techniques. The exhibition gave student instructors a chance to create, produce, and showcase a variety of free, inexpensive, and digital teaching-learning resources that were in line with school curricula. In teacher education, TLM shows are frequently utilised to improve pedagogical abilities and promote experiential learning.

Organization: The Principal, Faculty, and external Judge officially inaugurated the exhibition presented by B.Ed students of session 2024-26. A variety of teaching-learning resources, such as charts, models, puzzles, maps, working models, science equipment, math kits and language games were on show by student instructors from various pedagogical subjects. Each participant described the goals, methods of preparation, and uses of their exhibitions in the classroom. The exhibits were assessed by faculty members on the basis of presentation abilities, creativity, relevance, usefulness, innovation, and cost-effectiveness. Four external judges evaluated their exhibition related activity such as demonstration, quality of TLM, usability, cost effectiveness etc. Base on their scores following students has been selected as best exhibitor.
