Report of Seminar on "Spiritual life of Rishi Aurobindo" on 12.08.26

In order to educate students and aspiring instructors with the spiritual philosophy, life, and teachings of **Rishi Aurobindo**, **Nikhil Banga Sikshan Mahavidyalaya** arranged a significant event on "**Spiritual Life of Rishi Aurobindo**." The program stressed the significance of his views in contemporary education and human development.

The session started with a welcome speech by Principal **Dr. Bhim Chandra Mondal**, which was followed by an overview of Rishi Aurobindo's life and accomplishments. **Sri Sisir Kumar Gorai**, Assistant Teacher, Bankura Municipal High School, described the various stages of his life and how his path progressively shifted from social service and nationalism to a more profound spiritual pursuit. Rishi Aurobindo's Integral Yoga idea, which seeks to improve the entire human being—physical, mental, emotional, and spiritual—was given special focus. His opinions on education, self-realization, inner growth, and the progression of human consciousness were also presented to the participants. It was highlighted that education, according to Aurobindo, should not just supply academic information but rather assist an individual uncover and develop the highest possibilities within.

Students and aspiring teachers actively participated in an interactive session and an educational presentation as part of the event. They brought up issues of spirituality, education, meditation, moral principles, and the applicability of Aurobindo's ideas in contemporary society.

The programme concluded with a vote of thanks. The event provided the participants with an opportunity to reflect on the importance of spiritual values, self-discipline, inner growth, and holistic education. It was a valuable and inspiring academic programme organized by **Nikhil Banga Sikshan Mahavidyalaya**, leaving a positive impression on all the participants.
